OF LIGHT

## BIENVENIDO!

On behalf of the team members at Hilton Los Cabos, welcome to a festive week celebrating all the things we cherish with the ones we love. For those of you returning, we welcome you back in the spirit of the season.

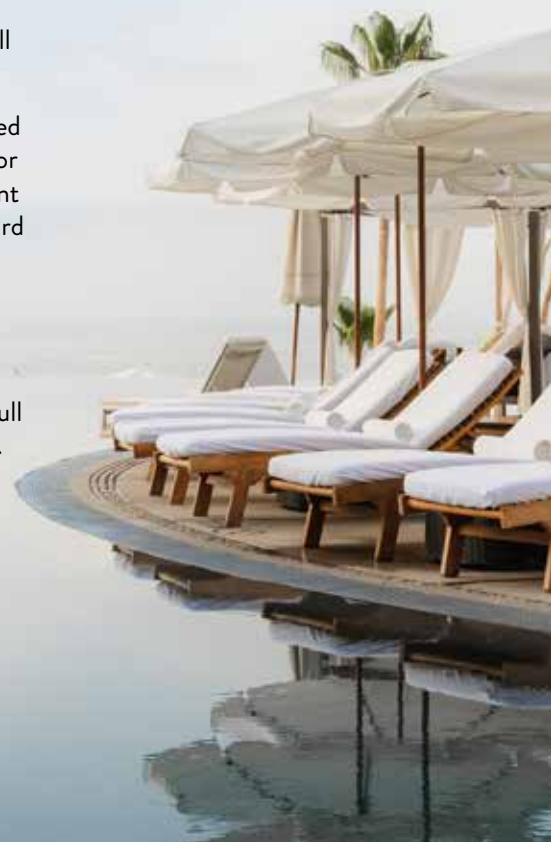

We invite you to experience our new agave spirits tasting room, La Biblioteca, with a reservation for an expert-led tasting or dinner with pairings. The new Los Arcos welcomes you daily with Mexican roasted coffee and house made pastries, sandwiches and artisanal chocolates. You will be delighted with the many poolside experiences and wellness offerings planned this year as well as kid's activities and evening events.

Throughout the year, we have been honored with a number of awards including three for Vela restaurant: TripAdvisor's #1 Restaurant in San Jose del Cabo, Wine Spectator Award of Excellence, and Tendencia Magazine Culinary Award Best Restaurant.

As the year draws to an end, we take a moment to be thankful for all we have shared and look forward to the new year, full of hope for the world and for each other.

Felices Fiestas – Happy Holidays,

Raul Aguilera  
General Manager
